

SAMPLE LTC CASH RATES

For Employers & Associations

Ages	Average Monthly Premium*
18-29	\$6.48
30-40	\$9.08
41-50	\$16.50
51-60	\$30.89
61-70	\$64.20
71-80	\$153.52

*The modal premiums generated are based upon a married couple with a \$100,000 CASH Benefit Account, a \$1,500 monthly benefit amount, a 90-day elimination period, no inflation, standard rate. Final premiums are based on underwriting approval and are subject to change. Optional Return of Premium Rider is available.

Please note: These are just average premium rates. The cost of a policy can be affected by your age, health, state of residence as well as your marital status at the time of application.
